Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Chicago and New York.

To Latin Teachers:

We have heard teachers in speaking of Latin prose composition texts say if it were not so out-of-date they wonld like to use Jones again. They are usually surprised to learn that the sales (practically unsolicited) of this book are

Greater Now than ever Before

since it became our property, and are steadily increasing. Yet the book is twenty-five years old. A few years ago it gave way somewhat to the connected narrative idea, but does not this indicate that the pendulum is swinging back?

If you are interested, we shall be glad to send you a copy of the Revised Edition.

Very cordially yours,
SCOTT, FORESMAN & COMPANY.

TUELL AND FOWLER'S FIRST BOOK IN LATIN

"I prefer it to any other beginner's Book."
"I have used it for six years and like it better every year."
Thus write teachers from two Boston High schools in which more than **1,000** students use the Book.

The revised 1904 Edition is ready.

Benj. H. Sanborn & Co. 156 Fifth Ave., New York
